The undersigned, being at least 21 years of age, hereby represents that he/she is the guardian of:

_____ (hereinafter referred to as the ("child")).

For myself and for the child, the undersigned agrees and understands that skiing is a hazardous activity which may result in injury to my child during his/her participation in the Cannon Mountain Snowsports School Programs (hereafter Programs). Trail conditions vary constantly because of weather changes and skier use. Natural and man-made obstacles, including other skiers, may exist. Participants in Programs are solely responsible for their speed and direction at any given time. Enrollment in Programs shall not in any way eliminate inherent risks in snow sports. I hereby assume all risks in connection with my child's participation in such activities and hereby release Cannon Mountain its, representatives, agents, officers, directors, servants and employees from all liability for any injuries or damages from any claim by me, my family, estate, heirs, and assigns in any way from my child's participation.

In addition, the undersigned agrees to indemnify and hold the State of New Hampshire d/b/a Cannon Ski Area, their representatives, agents, officials, directors, servants, and employees harmless of and from any harm, injury, damage, or loss to person and/or property to the aforementioned child.

The undersigned further authorizes anyone working at Cannon Mountain Programs to call for such medical care for the child or to transport the child to the appropriate clinic or hospital, if, in the opinion of anyone working at Cannon Mountain Programs, medical attention is needed for the child. This authorizes a licensed physician or other recognized First Aid Room staff member to carry out emergency medical care deemed necessary for my child/ward in an emergency when normal permission is unavailable. The undersigned agrees that upon transporting the child to any medical facility, clinic, or hospital that the responsibility of Cannon Mountain shall be totally fulfilled and Cannon Mountain shall not have any further responsibility for the child.

The undersigned agrees to pay all costs associated with such medical care and related transportation of the child and indemnify and hold Cannon Mountain, its representatives, agents, affiliates, servants, and employees harmless from any costs incurred therein.

Cannon Junior Development Class Descriptions 2011-2012

POLAR BEARS (ages 3-4)

The primary goal of this 2-hour class is to provide a fun and safe introduction to skiing. By the end of the season, these young skiers should be able to ski the whole lower mountain with competence and confidence. *All participants must be able to use the toilet independently and be three years of age prior to December 15, 2011. A copy of the child's birth certificate must accompany registration/season pass paperwork.*

ROCKIN' ROBINS (ages 4-6)

This is a transitional group between Polar Bears and Gremlins. Skiers in this group have a season or two of experience, but are still gaining confidence on green terrain. The goal of the class is to expand their comfort zone into blue terrain.

GREMLINS (Ages 4-6)

CANNONEERS (Ages 6-8)

The children in this group are confident skiers on green and some blue terrain, working toward linked parallel turns on blue terrain. The goal of the class is to strengthen their skills so they can maneuver safely on more challenging trails. Some classes may be able to ski from the top by the end of the season.

SNOW LEOPARDS (Ages 5-7)

CHALLENGERS (Ages 7-9)

These skiers are confident on blue terrain, working toward linked parallel turns on more challenging terrain and varied snow surfaces. Goals of the class include independence on the chairlifts and confidence on blue and black trails at Cannon.

BANSHEES (Ages 7-9)

SIDE CUTS (Ages 9-11)

Proficient and confident, these upper-intermediate level skiers are ready to challenge themselves. The goals of the class include using the side cut of the skis to carve and exploring more advanced terrain.

BLASTERS (Ages 10-13)

Students in this group must be strong parallel skiers. The main focus of the class is to develop a high level of versatility in each student's skiing. Skiers learn to put finesse and efficiency into their skiing and explore different ways of skiing the same slope.

WINCH CATS (Ages 8-10)

MOGUL MEISTERS (Ages 10-15)

For strong parallel skiers who want to increase their exposure to more challenging terrain. The main goal is to develop short-radius parallel turns in the fall line on bumpy or tree-filled terrain.

CANNON RACING (Ages 6-15)

Some gate training and drills for accomplished skiers who are getting serious about racing. Students must have the experience and confidence to handle Cannon's challenging terrain before qualifying to ski with this group.

SNOWBOARDING

Ravens Riding development for beginner snowboarders or those who have little experience.

Barons All-Mountain skills for riders who comfortably handle blue-square trails at Cannon.
